STRAWBERRY-BASIL SALAD WITH BALSAMIC VINAIGRETTE

This may sound like a surprising salad combination, but these two summertime stars - fresh basil and strawberries - pair deliciously

Ingredients:

3 tablespoons (walnut) oil
3 tablespoons balsamic vinegar
1/4 teaspoon salt
1/8 teaspoon freshly ground black pepper
1/2 teaspoon honey
8 cups torn romaine lettuce
2 cups sliced strawberries (1 pound)
1/2 cup vertically sliced Vidalia or other sweet onion
1/4 cup torn fresh basil
1/2 cup toasted walnuts or almonds

Preparation:

Combine oil, balsamic vinegar, salt, honey and black pepper in a large bowl; stir well with a whisk. Add sliced strawberries and soak for 5 minutes. Combine lettuce, sliced onion, and torn basil. Add strawberries and dressing, tossing gently to coat. Add nuts. Serve salad immediately.

Yield: 6 servings
