

Greetings From  
The Youth Leader

Hello,

I am so pleased to have been blessed with the opportunity to become involved with St. Margaret's and the youth in our beautiful community.

I have received a warm welcome from the entire St. Margaret's congregation and am very much looking forward to my continued time here. The youth are amazing and inspiring to work with. Being their leader is a pleasure and brings exciting new interactions with each meeting.

I hope you will continue to encourage the young people in your life to be actively involved and join our group. We have lots of fun planned for the upcoming summer and are always open to new members from the community - youth are encouraged to bring friends. Here is an overview of what our summer will look like.

God Bless,

Amber Morley  
Youth Leader
